## University/college Letterhead

I, [**University/college Official's Full Name**], hereby grant consent for [**Faculty Member's Full Name**], a distinguished member of our esteemed faculty at [**University/college Name**], to participate in the Faculty Internship Program organized by **Institute of Technical and Scientific Research, Jaipur**. This program is specifically designed to enhance the professional development and research capabilities of faculty members in Management, Engineering, Science, and related disciplines.

We recognize the value of hands-on learning, collaborative research endeavors, and the opportunity to connect with industry leaders in bridging the gap between academia and industry. We believe that this program will provide our faculty member with a unique and dynamic learning experience that will ultimately contribute to the advancement of our institution's academic endeavors.

We trust that [**Faculty Member's Full Name**] will represent our university/college with the utmost professionalism and integrity throughout the duration of this program. We look forward to the knowledge and insights they will bring back to our academic community, enriching the teaching and research landscape.

We extend our gratitude to **Institute of Technical and Scientific Research, Jaipur** for offering this invaluable opportunity for professional growth and development.

Sincerely,

[University Official's Full Name]
